Welcome to my Investors Underground Review! In this review, my goal is to inform you about my experience as a stock trader and subscriber to this trading chatroom, alerts service and the educational stock trading products that they offer. Nathan used his time at Profitly to rapidly grow his own business – Investors Underground. 'Investors Live: Textbook Trading DVD' came out more recently, so I had a very different perspective since I was viewing it from the standpoint of being a far more experienced trader. The reasons for such a booming membership soon became clear – there is 11 chatroom moderators to help with alerts and education. According to Nathan Michaud, the vision was to create the biggest and best online stock trading community. I have written many day trading chat rooms reviews Usually these types of chat room are not really worth it – you cannot replicate day trade alerts. Options Trading DvdThe problem is that although Investors Underground teaches strategies that are easier to replicate, the day trading services offered by Tim Sykes cost a lot less money. Nathan Michaud often hosts these webinars Investors Underground vs ProfitlyComparing Investors Underground vs Profitly for their educational alerts and day trading chat rooms is very difficult. Here is some of the features that Investors Underground chatrooms offer:Momentum Chatroom – this chatroom is open from 9am – 4pm every trading day. However, Investors Underground is a little different! They teach you the best strategies so that you don't have to copy trades – you learn to make your own!Before I get started on this Investors Underground review, please check out my favorite tools and free swing trading course that I have used to make \$50,000 trading stocks! I highly recommend that you read my review of the free swing trading online course (worth \$1000!) for more details on how to download the course for free and to see if the trading strategies and chart patterns would work for you. Covers Elliott Wave, Dow Theory, plotting & interpretation of charts, trendline analysis, forecasting, indicators, stops, ... Although this would be an expensive option, you really need to learn and embrace a strategy that resonates with you. Investors Underground Review SummaryI think that this service is one of the best out there. Investors Live Textbook Trading DvdTextbook Trading Dvd Free DownloadTextbook Trading Dvd Download FreeProfit With the Market ProfileReg \$129. The Investor Underground chatrooms actually replace most of my conventional stock screening tools!Disadvantages of the Investors Underground chat rooms: The large number of traders in the room is a good thing, however it took me a while to figure out who everybody was, and which traders had the best ideas.
